

CLIENT SIDE

Dashboard

The screenshot shows the Admin Panel Dashboard. On the left, a dark sidebar menu lists 'Admin Panel', 'Dashboard', 'Add Post', 'Manage Posts', 'Comments', 'Users', and 'Logout'. The main area is titled 'Dashboard' and contains three summary boxes: 'Posts' (12), 'Comments' (45), and 'Users' (5). Below these is a table titled 'Recent Posts' with columns: Title, Category, Date, Status, and Actions. The table lists three posts: 'My First Blog' (Tech, 10 Oct 2025, Published, Edit | Delete), 'College Life' (Student Life, 08 Oct 2025, Draft, Edit | Delete), and 'Travel Diaries' (Travel, 05 Oct 2025, Published, Edit | Delete).

Title	Category	Date	Status	Actions
My First Blog	Tech	10 Oct 2025	Published	Edit Delete
College Life	Student Life	08 Oct 2025	Draft	Edit Delete
Travel Diaries	Travel	05 Oct 2025	Published	Edit Delete

Addpost

The screenshot shows the 'Add New Post' form within the Admin Panel. The left sidebar remains the same as the dashboard. The main form has a title 'Add New Post' and three input fields: 'Post Title' (with placeholder 'Enter post title'), 'Category' (with placeholder 'Enter category'), and 'Content' (with placeholder 'Write post content'). At the bottom is a dark 'Add Post' button.
